I have read the books at least twice. I love to read about beginning farmers or any farmers. If the author is funny that is a bonus.l The book is funny and informative and lets an armchair farmer have a great time.0 of 0 people found the following review helpful. THIS BOOK IS HILARIOUS. I COULDN'T PUT IT DOWN. ITS SO FUNNY I JUST LOVED IT.By VALERIE TOWNSENDANY FOOL CAN BE A PIG FARMER IS GREAT SO HILARIOUS. JAMES ROBERTSON IS SO HILARIOUS. THIS HAS TO BE THE VERY BEST AND BEST HILARIOUS ENGLISH BOOK THAT I HAVE EVER READ. I BOUGHT A ANOTHER COPY TO SEND TO A FRIEND WHO HAS BEEN AND STILL IS A PIG FARMER HE WILL LOVE IT. LIKE I DID,

This, the first of James Robertson's sagas about agriculture and country life, demonstrates that the young and inexperienced Robertson was even more prone to disaster than the older and still inexperienced Robertson. His pigs bit him, gave him lice, crawled up to his bed and indicated that man is not necessarily the dominant species. How do you communicate the facts of life to an innocent young boar? Persuade a sow not to eat her young? Survive an investigation by the Inland Revenue? Stay out of jail when your newly insured barn goes up in smoke? Any Fool Can

be a Pig Farmer shows the other side of the rural idyll. It is painful, real and very funny.

About the Author James Irvine Robertson is an author, broadcaster, historian, humorous columnist and contributor to a wide variety of newspapers and magazines in the UK, US and Australia. After working in advertising he became a pig and dairy farmer in South West England, contributed to agricultural journals and wrote a series of comic novels - the 'Any Fool' series.
