Visual inspiration for all ages By Christin Chang This book is more than just a step by step instructional book. its visually and conceptually stimulating for all ages. If you've always wanted to

know how to draw this is a great intro. If you are an artist seeking motivation and inspirations in your daily life this book is great!! 2 of 2 people found the following review helpful. An Innovative New Look At An Old Classic! By S. G. Lake This is one of the best art books I've purchased in years! The ideas are innovative and interesting. I also like the tips to use your crayon drawings to make collage art, which is my favorite technique of all time, as I've had no patience to actually paint! :) Last year I was fortunate to find a full set of 72 vintage 1970s Crayola Crayons at an estate sale, and it is amazing how much nicer these vintage crayons are as compared to newer ones. They've become my "go to colors" for my various art projects. Overall, I was very impressed with this book. I only wish it was longer, but it's still wonderful as it is!

You'll never outgrow the joy of drawing with crayons! Anywhere, Anytime Art: Crayon is here to remind you how. The simple pleasure of drawing and coloring with crayons doesn't have to leave your life just because you finish 5th grade. Anywhere, Anytime Art: Crayon is a new kind of art book designed to get you back to the basics, and drawing confidently. Create beautiful, spontaneous artwork inspired by your surroundings, no matter where you are! Discover how to work with crayon, master basic strokes and techniques, and choose the right colors for your subjects. Anywhere, Anytime Art: Crayon is filled with step-by-step lessons on drawing dozens of objects, like bicycles, gardens, pets, furniture, just about anything! Fun and simple techniques make creating impromptu art wherever you are possible, and even easy! Whether you like to draw at home or while out and about, Anywhere, Anytime Art: Crayon is sure to inspire you to create vibrant, colorful artwork and expand your artistic horizons in new and adventurous ways!
