This is a nice repackaging of Mignon McLaughlin's two "Neurotics Notebooks"By skmurphyThis is a nice repackaging of Mignon McLaughlin's two "Neurotics Notebooks" with the quotes organized more thematically and more biographical information about McLaughlin3 of 3 people found the following review helpful. Enjoyable and InformativeBy Hollister EvansSmart, insightful, sassy and a helluva lot of fun.

Mignon McLaughlin (1913-1983) was a short story writer and playwright with a rapier wit and an acerbic take on love, marriage, and friendship. Her aphorisms, published between 1958 and 1966, will delight aficionados of this aristocratic, subversive genre. Not all of the collection consists of aphorisms, strictly speaking: some are simply reflections, brutally honest as they are clever, on McLaughlin's own fears and foibles. *Aperçus* is truly an autobiography in epigrams.
