One of my very favesBy creamyPBI recently found this book after getting back into coloring. The second I saw it I remembered why I enjoy this so much. Wonderful patterns in here from fairly basic to extremely intricate. Get this one, you will be glad you did.48 pages. The designs cover the WHOLE page. Dover = double-sided

Exciting collection of 46 full-page geometric designs—polygons, stars and rosettes—based on beautiful Islamic art patterns from rare 19th-century album. Use the copyright-free, bold geometrics as overall patterns or individual

elements for a myriad of art and craft projects. New publisher's note. 46 full-page designs.
