Lighthearted Easy ReadBy Okie CatFanIt takes about 30 minutes to read the entire book. The cartoon illustrations are are delightful and fit the text. I bought this hoping it had some additional insights regarding the amazing happiness I notice in just about every dog I have lived with or met. They are

the most remarkable, wonderful creatures who can teach us many things, the most important of which IMO, is the ability to give unconditional love. I am a new fan of Alana Cohen's work and was not disappointed with this. It is a lovely, gentle proposition of how we can be more like our dogs and achieve a higher level of happiness. 1 of 1 people found the following review helpful. After reading this book, you will be as happy as your dog. By Mary Sunday I love his books because they truly make you think about how your life is and how it should be. He's books make you feel better about yourself. I recommend them to everyone.

A fun little book about enjoying the small things in life. It was a lot like a children's book, but it's full of truths that so many adults have forgotten.
