Lots of fun; a parody of the children's bookBy darI bought this for my single daughter, and she really laughed and has shared it with several of her single friends. Lots of fun; a parody of the children's book, "Are You My Mother?"6 of 7 people found the following review helpful. Adorable!By Evie B.This is one of the cutest adult picture books I've ever read! Only sixty-four pages long, it's a parody of Are You My Mother?. Being a singleton is hard, especially when it seems like everyone in your circle is happily paired off. finishing it, I immediately turned to page one and started it again looking for clues. The Kindle edition is on sale for \$2.99 today. What a steal!

As seen in The New York Times, Elite Daily, Marie Claire, The Hairpin, and more. Makes a great gift!
