**Chelsea Handler : Are You There, Vodka? It's Me, Chelsea[Mini Edition] (Miniature Editions)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Are You There, Vodka? It's Me, Chelsea[Mini Edition] (Miniature Editions):

3 of 3 people found the following review helpful. Tiny BookBy MarnieWhen I recieved this book in the mail, I was very surprised to see it is a mini version of the book. While it is cute, I went to see if I had overlooked something when ordering. This was not the case, and I see no evidence of the size being off. I am disappointed, I was really looking forward to reading this book.0 of 0 people found the following review helpful. (Some) funny stories about Handler's lifeBy CustomerThis book is a collection of seemingly true funny stories that happened to Chelsea Handler. The stories take place at different moments of Chelsea Handler life. The redhead boyfriend and her DIU were very entertaining, but I was expecting laugh out loud moments and did not get any. Do not get me wrong, I smiled plenty and I was amused and entertained, but I did not find this book funnier than Uganda Be Kidding Me. And funny enough, I started reading this one because most reviews agreed this book was better. I beg to disagree.0 of 0 people

found the following review helpful. I Love Chelsea and I Love this Book...By Greg Huffman This has got to be the best book Ms. Handler has ever written. Let's just say she has led a rather interesting life. A real page turner...once you start reading it, you won't put it down. This was one of the first selections I got for my Kindle and I am more than satisfied.

When Chelsea Handler needs to get a few things off her chest, she appeals to a higher power—vodka. This mini edition abridgement of her bestselling book, *Chelsea* mines her past for stories that are outrageous and one of a kind. Whether she is convincing her third-grade class that she's play Goldie Hawn's daughter in an upcoming film or pretending to honeymoon with her father to get an upgrade to first class, Chelsea has a knack for getting herself into outrageous situations.

From Publishers Weekly Handler proves the adage that just because one can, doesn't mean one should. This applies to both her role as a writer and a narrator. In this disjointed collection of memories and experiences, even her overenthusiastic voice cannot compensate for the irrelevance and frivolousness that is this book. Her anecdotes cover a range of topics from sex to sibling rivalry to parental humiliation, all showcasing how smart and witty she can be in hindsight. Whether rambling about how she's freaked out by red-headed men or bemoaning her arrest and short stint in prison, her attempts to be funny fall flat and her valley-girl persona wears quickly on listeners. Her lively voice has the potential to do well with audiobooks, but the overall tone and ecstatic energy she emits only emphasizes the inconsequential prose. Listeners might find themselves asking for Vodka to help reach the end of this production. A Simon Schuster hardcover. Copyright © Reed Business Information, a division of Reed Elsevier Inc. "A hilarious account ... you may not want to read it in public, for fear of snorting with laughter." \* *Grazia* \* "If I had the balls to really not care what people thought of me, this is the book I'd write." \* *Belle de Jour* \* "Ms. Handler's style is a friendlier, more workaday version of the haughty self-abasement practiced by Sarah Silverman, leavened by the everywoman spirit of Kathy Griffin... She seems like a cruel queen bee from an expensive college: There's something suspiciously sophisticated about how her jokes line up that suggests the moral austerity of a comic not of [Joan] Rivers's bad-girl school: Tina Fey" \* *New York Times* \* About the Author Chelsea Handler is an accomplished stand-up comic, talk show host, and *New York Times* bestselling author. She is the star of her own late-night show *Chelsea Lately*, and does regular tours across the country. She lives in Los Angeles, California.
