Chelsea Handler : Are You There, Vodka? It's Me, Chelsea before purchasing it in order to gage whether or not it would be worth my time, and all praised Are You There, Vodka? It's Me, Chelsea:

3 of 3 people found the following review helpful. Tiny BookBy MarnieWhen I recieved this book in the mail, I was very surprised to see it is a mini version of the book. While it is cute, I went to see if I had overlooked something when ordering. This was not the case, and I see no evidence of the size being off. I am disappointed, I was really looking forward to reading this book.0 of 0 people found the following review helpful. (Some) funny stories about Handler's

lifeBy CustomerThis book is a collection of seemingly true funny stories that happened to Chelsea Handler. The stories take place at different moments of Chelsea Handler life. The redhead boyfriend and her DIU were very entertaining, but I was expecting laugh out loud moments and did not get any. Do not get me wrong, I smiled plenty and I was amused and entertained, but I did not find this book funnier than Uganda Be Kidding Me. And funny enough, I started reading this one because most reviews agreed this book was better. I beg to disagree.0 of 0 people found the following review helpful. I Love Chelsea and I Love this Book...By Greg HuffmanThis has got to be the best book Ms. Handler has ever written. Let's just say she has led a rather interesting life. A real page turner...once you start reading it, you won't put it down. This was one of the first selections I got for my Kindle and I am more than satisfied.

When Chelsea Handler needs to get a few things off her chest, she appeals to a higher power—vodka. Seems reasonable, when considering that she discovered her boyfriend was having an affair with a Peekapoo and she had to pretend to be honeymooning with her father in order to upgrade to first class. Welcome to Chelsea's world—a place where absurdity reigns supreme and a quick wit is the best line of defense.. In this highly entertaining, deliciously skewed collection, Chelsea mines her past for stories about her family, relationships, and career that are at once singular and ridiculous. Whether she's convincing her third-grade class that she has been chosen to play Goldie Hawn's daughter in the sequel to Private Benjamin, deciding to be more egalitarian by dating a redhead, or looking out for a foulmouthed, rum-swilling little person who looks just like her...only smaller, Chelsea has a knack for getting herself into the most outrageous situations. Are You There, Vodka? It's Me, Chelsea showcases the candor and irresistible turns of phrase that have made her one of the freshest voices in comedy today...

From Publishers WeeklyHandler proves the adage that just because one can, doesn't mean one should. This applies to both her role as a writer and a narrator. In this disjointed collection of memories and experiences, even her overenthusiastic voice cannot compensate for the irrelevance and frivolousness that is this book. Her anecdotes cover a range of topics from sex to sibling rivalry to parental humiliation, all showcasing how smart and witty she can be-in hindsight. Whether rambling about how she's freaked out by red-headed men or bemoaning her arrest and short stint in prison, her attempts to be funny fall flat and her valley-girl persona wears quickly on listeners. Her lively voice has the potential to do well with audiobooks, but the overall tone and ecstatic energy she emits only emphasizes the inconsequential prose. Listeners might find themselves asking for Vodka to help reach the end of this production. A Simon Schuster hardcover. Copyright © Reed Business Information, a division of Reed Elsevier Inc. All rights reserved. "Chelsea Handler writes like Judy Blume, if Judy Blume were into vodka, Ecstasy, and sleeping with midgets and nineteen-year-olds." -- Jennifer Weiner, bestselling author of *In Her Shoes*"Ms. Handler's style is a friendlier, more workaday version of the haughty self-abasement practiced by Sarah Silverman, leavened by the everywoman spirit of Kathy Griffin...She seems like a cruel queen bee from an expensive college: There's something suspiciously sophisticated about how her jokes line up that suggests the moral austerity of a comic not of [Joan] Rivers's bad-girl school: Tina Fey." -- New York Times"Where have I been all of Chelsea Handler's life? I had no idea how funny, how brilliant she is. She is too clever for words." -- Liz Smith, New York Post"Chelsea Handler is a terrific comedian and a hilarious writer." -- Jay LenoAbout the AuthorChelsea Handler is an accomplished stand-up comic and actress, as well as the bestselling author of *My Horizontal Life*. She is the star of her own late-night show on E!, *Chelsea Lately*; was one of the stars of *Girls Behaving Badly*; has appeared on *The Tonight Show* with Jay Leno and *Late Night with David Letterman*; and has starred in her own half-hour Comedy Central special. Chelsea makes regular appearances in comedy clubs across America and lives in Los Angeles.
