Jim Cook : Arizona Liar's Journal before purchasing it in order to gauge whether or not it would be worth my time, and all praised Arizona Liar's Journal:

0 of 0 people found the following review helpful. Five Stars By Jongreat book. i either misplaced it or it went back to Arizona. Jim Cook was the bestest.

Do you know who painted the Painted Desert? Do you know where to find a moonshine saguaro? How does Arizona's new Truth-in-Lying Law affect you? In Arizona Liar's Journal, Jim Cook rips the cover off Arizona's secrets, Cook,

the official State Liar of Arizona, is also director of The Wickenburg Institute for Factual Diversity located beside the storied Hassayampa River. The Institute works to shed the shackles of fact and expand the truth about Arizona. Now the Institute, in cahoots with Cowboy Miner Production, shares the inside stories of an unbelievable state.

...he combines some questionable autobiography with even more questionable history, all to the greater entertainment of the reader. -- Richard Nilsen, The Arizona Republic, Nov. 1, 2002
About the Author
Mr. Cook, the Official State Liar of Arizona, is also director of the Wickenburg Institute for Factual Diversity located beside the storied Hassayampa River. The Institute's goal is to shed the shackles of fact and expand the truth about Arizona. This is a must book for those who are subscribers to Jim Cook's "Journal of Prevarication," a popular e-mail newsletter from the Wickenburg Institute for Factual Diversity. This title follows in the footsteps of other books by this distinguished author, also known as James E. Cook. A few of these are The Arizona Trivia Book and Dry Humor, Tales of Arizona Weather. Jim Willoughby's well-known cartoons delightfully illustrate enlightened stories of animals, plants and personalities of Arizona.
