Nice mandala patterns, though.3 of 3 people found the following review helpful. Wonderfully complex designs!By CassandraI love this coloring book! Each page is nice and thick to prevent bleed through, but I would still suggest using a buffer page because some markers will peek through a bit.The designs are intricate and take me some serious time to complete just a single design! But I love the designs, and they fill the entire page so no wasted space. A few of the images actually look a little intimidating because they are so detailed!Each page is perforated so they're easy to remove if you'd prefer to color with the page outside of the book, or if you like to hang your pages up.1 of 1 people found the following review helpful. Love Leisure Art Color BooksBy mlbalsrLove , Love to color and this is a good

one by Leisure Arts. They are top of the line because the pages are like wall paper and absorb the color more than slick sheets and makes the colors brighter and darker.

6902 Art of Coloring Extreme will help you rediscover the calming benefits and creative stimulation of coloring! This quality adult coloring book from Leisure Arts presents 24 designs featuring intricate abstracts, florals, and whimsical artwork. Use your colored pencils, gel pens, markers, crayons, chalks, paints, or other favorite art media to enhance and personalize the designs. Each sheet of premium paper is 8.5 x 10.875 inches, printed on one side only and perforated for easy removal. Effective for all ages, coloring has meditative qualities that benefit body and soul, to help you escape your worries and regain your concentration. Experience the magic of color therapy!
