Jose Fernandez : Arthur Pong And His Smelly SONG (Fart Tales And Other Disgusting Stories) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Arthur Pong And His Smelly SONG (Fart Tales And Other Disgusting Stories):

10 of 10 people found the following review helpful. A funny poem By Mariana Llanos Arthur is boy that sings like the angels, hypnotizing his whole neighborhood with his voice and the awful smell of his...farts. Well, it has to be a boy thing. The verse is well written but I didn't find it as amusing as my boys (10 and 6) did. That's the reason I'm giving it four stars, they did like it. I'm sure many kids (and not so kids) will find it very entertaining. The author also promises more books like this one. Good for him, I really wish him success. 3 of 3 people found the following review helpful. How great thou fart... By J. Chambers After recently seeing a 21-fart gun salute in the animated film "Despicable Me 2," I think the world is ready for Arthur Pong and his smelly song. But ready or not, young Arthur is sending deadly gas attacks throughout his neighborhood with "a fart sounding like angels, but smelling of poo." Arthur indeed had a great singing voice, but his farts were something else, and he kept the paramedics busy hauling away his unfortunate victims. Kids will certainly identify with Arthur, as most families have at least one Arthur to stink up family get-togethers. The rhyming text and black-and-white illustrations will get a chuckle or two from both kids and adults. As my late father-in-law always said after launching an SBD into a room, "There's more room out than in."-----Note: In the UK, Australia, and New Zealand, the word "pong" means an awful

smell. 10 of 10 people found the following review helpful. Great 'Reluctant Reader' Book! By Flame This story is gross, but funny and well suited to reluctant readers. Kids love rhyming stories, but they'll love this one about a boy who farts while he sings. Suitable for boys and girls from five to eight. There is also an audio book to listen to for all the glorious sound effects. Kids will love this, maybe even some adults too. Star-Crossed Rascals (Adventures of Rascals, Polly and Gertie)

Arthur Pong was just an ordinary boy who after school loved to sing and fart at the same time! His neighbors cannot stand his awful pong, but will that stop Arthur from singing and farting his pants off?
