Jack Fieldhouse : Artist and Beekeeper - A Visual Journey before purchasing it in order to gage whether or not it would be worth my time, and all praised Artist and Beekeeper - A Visual Journey:

A life history together with a collection of drawings and poems by a 93 year old Somerset Artist which ranges from snapshots of beekeeping life to the very best of the Glastonbury Festival as well as drawings of life in Scotland. This book - while not helping you to a larger honey harvest will give you many happy and enjoyable hours scanning the

pages.
