I will be quoting from this one. Easy reading with a laugh every page.0 of 0 people found the following review helpful. if I love the calendar like I do then there must be ...By snoopyAccording to the law, if I love the calendar like I do then there must be something wrong with it.

So far, nothing wrong. 0 of 0 people found the following review helpful. What do I buy for a gift? By Suzie Who doesn't experience Murphy's Law??!! I love these daily calendars - small to keep on a crowded desk and something to read every day! This is great as a gift - especially for someone that you have no idea what to buy, male or female.

Guaranteed to have you in stitches! Murphy's twists on medical mishaps. From malpractice to measles--anything that can go wrong in the medical world will! Stettner's Law for Surgeons Never say "oops" while your patient is conscious. Campbell's Law of Medicine/The less you do, the less can go wrong. Law of Retroaction If at first you don't succeed, rewrite the chart.
