**Henry Beard : Murphy's Laws of Golf** before purchasing it in order to gage whether or not it would be worth my time, and all praised Murphy's Laws of Golf:

3 of 3 people found the following review helpful. Hilarious, laugh out loud humor By J. Runnels I found my husband leafing through this book at Target laughing out loud at the author's humorous observations about the game of golf. This is not his normal response so I promptly came home and bought it online at for him for Father's Day. He is still reading it. He took it to his son, also a golfer, to read but never got it back. I had to buy him a second copy, also from .

If you have a golfing fan in your life, this is a great gift for him...or her.0 of 0 people found the following review helpful. A Murphy's Law for GolfersBy BjAnother funny book for golfers. This was a gift for my brother who lives in The Villages in Florida. The main thing they do in this community is play golf.0 of 0 people found the following review helpful. It was a hit with my grandson.By Carol connellHe loves golf and got a kick out of this book. I gave it to him for Christmas. I'm buying him more for other occasions. He is hard to buy for, but not anymore.

Every golfer knows the feeling: Anything that can go right will go WAY, WAY right. To hit a truly awful shot, mere incompetence is not enough...you really need an audience. Back in the early days of the game, when the first rules were written and the basics of etiquette formulated, there appeared a series of shrewd and rueful observations about golf that were nearly always attributed to a mysterious individual named Murphy. As time passed, these canny precepts found their way into the culture at large—but the roots of Murphy's Laws clearly lie in this sport that's tailor-made to expose the fundamental malevolence of the cosmos. Here they are, collected—for all lovers of the links to ponder when they're in the rough!
