We made this muscular system picture book guide very informative, well-organized and a simple helpful study

resource for your AP classes or just a refresher resource. This picture book is loaded with colored anterior, lateral, posterior beautiful illustrations that's concisely and clearly readable labels for trouble-free muscle recognition. Excellent review book that is engaging and educational. If you're in a profession that require some knowledge of the muscular system this book is a great resource for you because it will help you recognize the muscles of the human body and their names.
