**Victor Mintz : Musical Cheers: An Opera and Music Lovers' Guide to Humorous Verse** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Musical Cheers: An Opera and Music Lovers' Guide to Humorous Verse:

A delightful collection of amusing limericks. Mintz minces no words in evoking torrents of laughter with his verse. His limericks are clever, elegant, and always surprising. Exquisite drawings by Judd Palmer make this a beautiful gift for you and for others.
