Paula Hollins : Musical Malapropationary: A dictionary of musical terms redefined humorously – for music lovers, screwball musicians, irreverent iconoclasts, ... and anyone with a twisted sense of humor before purchasing it in order to gauge whether or not it would be worth my time, and all praised Musical Malapropationary: A

dictionary of musical terms redefined humorously – for music lovers, screwball musicians, irreverent iconoclasts, ... and anyone with a twisted sense of humor:

0 of 0 people found the following review helpful. Five StarsBy Samilyn Bought this book as a gift for my musician hubby. He really likes it.1 of 1 people found the following review helpful. Not appropriateBy L. L. DuncanI will not be sharing this book with students. Some of it is funny, but most of it is not to be shared with students. I put this with my books for a book sale.1 of 1 people found the following review helpful. Not for childrenBy GlionI felt that many of the words had sexual connotations.A few are fun, but there are a lot that are not.

A dictionary of musical terms redefined humorously – for music lovers, screwball musicians, irreverent iconoclasts, dyslexics, risqué thinkers, and anyone with a twisted sense of humor.

About the AuthorPaula Hollins liked to say that she would try anything that wouldn't kill her. As a result, she tried a lot of things and had a very full life, tragically cut short by cancer in 2014. She enjoyed her last ten years in Sarasota, Florida, where she grew dozens of fruit trees and preserved their bounty, sculpted tree trunks in her yard, and maintained an unfailing good humor and positive outlook on life that inspired all who knew her.
