Richard Russell : My Baby Got the Yips: The Random Thoughts of an Unprofessional Golfer (Sports Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Baby Got the Yips:

The Random Thoughts of an Unprofessional Golfer (Sports Classics):

Factor in their game will not be visualising the parabolic arc of one's backswing - but the prospect of the refreshment kiosk and its illicitly rich snacks next to the 9th hole. Or that, far from wanting lectures in golf etiquette from Olympian figures like Jack Nicklaus, of more concern is perfecting the art of hurling a club spectacularly after a truly horrid shot. *My Baby Got the Yips* is a genuinely funny, whimsical and original golf book that will make a perfect gift for every average golfer.

"No game infiltrates the imagination quite as golf does. Richard Russell's observations are so in tune with the spirit of the maddening pursuit that it almost qualifies as a masterpiece." ^{â??} The Sunday Times
About the Author
Richard Russell is an advertising copywriter and a member of Sunningdale Golf Club and Rye Golf Club.
