Douglas Fir : My Cat's An Asshole Journal: A Journal For Cat Lovers Living With A Total Jerk before purchasing it in order to gage whether or not it would be worth my time, and all praised My Cat's An Asshole Journal: A Journal For Cat Lovers Living With A Total Jerk:

For whatever reason, you've decided to share your home with a four-legged asshole. It's OK, cat lovers everywhere just love to have all their shit broken, their lives interrupted, and survive attempts to kill them, all the behest of a creature incapable of feeling love or affection toward their human. Now here's a journal to track all of your cat's assholery! You can also include a running tab of all the damage Mister Whiskers has done - don't forget to include your bill for therapy!

About the Author Douglas "Uncle Dougey" Fir is a bastard from Maine and is the editor at large of the Maine Gazette. He writes a lot of stuff about poop, and generally likes cats. Once simultaneously bitten by a rattlesnake while being kicked by a moose, he has parlayed his incurable brain-damage into a publishing legacy.
