**Willie Morris : My Cat Spit McGee** before purchasing it in order to gage whether or not it would be worth my time, and all praised My Cat Spit McGee:

0 of 0 people found the following review helpful. Another Cat WomanBy Betty AnneWe all know Willie Morris can write a good book. I laughed as I read My Cat Spit McGee. So many of his stories in this book reminded me of the transformation my husband had made after a kitten entered his life. My husband was much like Willie, always been a

"dog" man. One day our 65 pound Golden Retriever mix/Bear delivered a 5 week old kitten to our house. That little kitten had my husband wrapped around his finger from the start. Now at 14 lbs., Lucky, AKA Knucklehead is Bear's best friend and my husband's buddy. Knucklehead answers to hubby's whistles and loves the redfish scraps as hubby cleans his fish. Personality galore! If you are a cat lover or just have any love for animals, this non-fiction story will make you laugh and cry. I have already shared it with my "cat" friends. Get a copy, you won't regret it. We all need to smile! 0 of 0 people found the following review helpful. A Heartwarming Book for All Kitty Lovers By Linda Thompson, Bookworm I am a lover of all things cat and when I saw this book, I just knew I had to read it. I've never had a kitty who liked to travel like Spit, but have always wished for a kitty traveling companion. Spit was truly a very special cat and I could understand immediately why Willie, who had never liked cats, fell for Spit. This is a very interesting and heartwarming read and one that all kitty lovers should read. 0 of 0 people found the following review helpful. One of the best books I've ever read! By CatMom700 I'm definately a cat lover, and it's the cover that drew me to this book...and I was immersed by the first chapter! Morris made the story not only heart warming, but honestly amusing throughout. Yes, the cat's name IS Spit McGee, and this is a true story of a real, no-nonsense cat and his owner/biographer, Willie Morris. Spit McGee was one of a kind! I've had many cats in my lifetime, but I'd give anything to have one like Spit...he was a cat that knew his own mind, and what he wanted he usually found a way to get...and did it much like a human (not a cat) would. Quite frankly, I couldn't put the book down once I started. Spit was more human than any cat I've seen and I've had more cats than I could count. If you're looking for some fun, insight, and drama in an animal book, this is it! Quite possible the best book I've read in long, long time. Willie Morris has left us, but his wonderful book makes me smile each time I think of it....

With endearing humor and unabashed compassion, Willie Morris--a self-declared dog man and author of the classic paean to canine kind, *My Dog Skip*--reveals the irresistible story of his unlikely friendship with a cat. Forced to confront a lifetime of kitty-phobia when he marries a cat woman, Willie discovers that Spit McGee, a feisty kitten with one blue and one gold eye, is nothing like the foul felines that lurk in his nightmares. For when Spit is just three weeks old he nearly dies, but is saved by Willie with a little help from Clinic Cat, which provides a blood transfusion. Spit is tied to Willie thereafter, and Willie grows devoted to a companion who won't fetch a stick, but whose wily charm and occasional crankiness conceal a fount of affection, loyalty, and a "rare and incredible intelligence." *My Cat Spit McGee* is one of the finest books ever written about a cat, and a moving and entertaining tribute to an enduring friendship.
