**The Editors of BroBible.com : My Dad Is a Bro** before purchasing it in order to gauge whether or not it would be worth my time, and all praised My Dad Is a Bro:

0 of 0 people found the following review helpful. Great funny gift! By Gardenshopper I purchased this book for a gift...it was such a hit that I have purchased 3 additional books...peeps said they could not get enough laughter....Great job BroBible!!! 0 of 0 people found the following review helpful. "My Dad is a Bro" - According to a Bro Himself By Abel Gonzalez "It is the most ingenious way to dive into the mind of any man that could have 'dad' as a title. It illustrates in a masterful way the preconscious, agonizing need of a dad to be 'hip'. Needless to say, it does so in a 'unique' way that represents a collage of all the cool ideas a father's mind can carry. All in all, 'My Dad Is a Bro' will go down in history as the most brotastic, mosaic portrait of an identity crisis on a perpetual climb. The reader will get a good laugh out of how, as a bro-dad, my ideas were never really that original. It would blow right out of the water any fantasies of originality that any 'dude-dad' might ever entertain. However, in the privacy of one's mind, one would think 'I'm glad it wasn't me in each one of the pictures.' This book naturally elicits a sense of solidarity among its readers - anyone who has ever known a dad. -Thumbs up! This is gonna be a classic." 1 of 1 people found the following review helpful. Perfect for most college age guys and even some in their 20s or 30s. By John P. Boitnott My Dad passed on at the age of 82 a couple years back. Although he never did a keg stand (he was 48 when he had me) he taught me how to do a million other classy things that make me feel like he was an awesome bro - I just kinda missed those younger days to some degree. Having said all that - he taught me how to drink (a little too early lol), taught me

how to drive (at the right age) and had all the "birds and the bees" conversations with me (a little later than needed). This book really takes me back - and really hits the mark for me.

**DAD IS THE MOST IMPORTANT MAN IN A BRO'S LIFE.** He teaches you how to swing a baseball bat, grill a steak, and master a stick shift. Dad helps you laugh off a breakup, guides you on big decisions, and doesn't tell your Mom when he catches you hooking up with a girl—yet still warns you to “wrap it up” because he’s “not ready to be a grandfather.” The apple doesn't fall far from the tree . . . when it comes to being a Bro. Loaded with hundreds of hilarious, never-before-seen photos and based on the wildly popular photo blog from the editors of BroBible.com, the ultimate destination for Bros, **MY DAD IS A BRO** captures the epic Bro hijinks and conquests of Dads everywhere. Whether he's puffing on a cigar, executing a keg stand, fishing for a trophy, posing with cheerleaders, or running the table in beer pong—celebrate the old man at his Bro-est. Nothing says father-son bonding like the time-honored tradition of shot-gunning a fresh brew.
