Lewis Grizzard : My Daddy Was a Pistol and I'm a Son of a Gun before purchasing it in order to gauge whether or not it would be worth my time, and all praised My Daddy Was a Pistol and I'm a Son of a Gun:

Lewis Grizzard always makes us laugh. But this time, when he tells us all about his father? a certified war hero and a shameless passer of bad checks . . . a charmer of men and women and a consummate con artist . . . a man of great

courage and an alcoholic destined to drink himself to death?he's going to make us cry, too. And he's going to give us a hilarious, moving account of that "tender, spooky territory: that country of the heart inhabited by fathers and sons."
