Alright, but not greatBy A CustomerThis book has some cute poems in it, but some were mediocre in my opinion. I really liked Bruce Lansky's book Kids Pick the Funniest Poems, a collection of poems by various authors, much better.

A re-issue of the author's celebrated Poetry Party, which features laugh-out-loud verses, collected with the help of more than 1000 junior and middle school children and their teachers in choosing the funniest poems about such subjects as parents, school dinners, sisters and brothers, teachers, homework, pets, measles and burping! This poetry

anthology for children is from the pen of children's poet Bruce Lansky, dubbed the 'King of Giggle Poetry'. It comes in the wake of the success of his previous highly acclaimed collections of humorous verse Kids Pick The Funniest Poems and A Bad Case Of The Giggles, which together have sold over 1,500,000 copies.

About the Author Bruce Lansky has edited a number of poetry anthologies (including Rolling in the Aisles, Kids Pick the Funniest Poems, If Kids Ruled the School, A Bad Case of the Giggles, Miles of Smiles, and No More Homework! No More Tests!), and 3 silly songbook anthologies. Lansky created the popular GigglePoetry.com website for children and the PoetryTeachers.com website for teachers. He also created the Girls to the Rescue series, the New Fangled Fairy Tales series, and the Can You Solve the Mysteries series.
