By Max I have the honor of knowing the author, and following his stories and career as he wrote this book. The author is not only an exceptional Pastor, human being and writer, but the book is one that everyone can enjoy and relate to. Buy one for yourself, and it makes a great gift book (for friends and acquaintances alike).

My F Word is Forgiveness is Herb Agee's first book. His warmth, wit and wisdom are a combination of best friend, companion, pastor, brother and humorist with emphasis on humorist. From Groceries, Outhouses and Chewing Tobacco to The F Word, Agee leads the reader on a roller coaster ride of shared human experiences and emotions. As a former hospital chaplain, police officer and church pastor for many years, he has shared life and death on deep personal levels with thousands. Presently an assistant pastor at Englewood United Methodist Church in Englewood, Florida, Agee rides a Harley and hangs out with the local bikers and goes by the nickname, Padre. He also has a website with a unique concept ministry, www.StFrancisHelps.com. Through vignettes, observations, musings and ramblings, Agee goes from the heights of hilarity to the peace and quiet of introspection. The real life application approach to the observations and autobiographical experiences are based upon the author's beautifully simplistic approach to life, living and loving. Agee's appeal extends beyond gender and age to touch the heart and sense of humor of all. My F Word is Forgiveness is a book for every reader. F Words for this book are Fantastic, Fun and Faith.
