Modern Humorist, Modern Humorist, John Warner, Kevin Guilfoile : My First Presidentialy : A Scrapbook by George W. Bush before purchasing it in order to gage whether or not it would be worth my time, and all praised My First Presidentialy : A Scrapbook by George W. Bush:

0 of 0 people found the following review helpful. Five StarsBy MoTheThirdHilarious, even after all these years.17 of 19 people found the following review helpful. Could be the Onion, could be reality.By M.B."G-dubya" is shown in an extremely positive light in this one. His creativity and imagination are exposed. His mastery of the English language and grasp of reality are all set forth in clear detail. The pictures are well chosen examples of his artwork. I am a fan.2 of 7 people found the following review helpful. The Commander In BriefBy OregonFamilyThat's what he should be called. Brief and eveytime he opens his mouht unfortunately something wrong comes out. He just needs to not think so hard, and try to impress everyone. While this book gave us a few smiles and the occasional outward giggle, it failed our expectations, not really what we though it was about, but was amusing just the same. Make sure you know what you want out of it before you buy it.

From Modern Humorist, the funniest, hippest comedy institution to come along since The Onion, My First Presidential is a hilarious parody of the rise of George W. Bush, as seen through the eyes of Dubya himself. During the Republican convention, Modern Humorist produced a wildly successful series, "George W. Bush's Diary" -- written and drawn in the style of a third-grader's class assignment. My First Presidential takes off from that, adding the people, events, and screwups that have put their stamp on The Great Pronunciator's rise to power. Highlights include Dubya's correspondence with his young Mexican penpal, Hector, White House redecorating schemes (a NASCAR motif for the Lincoln Bedroom?), and the deal with Cuba to trade the Florida Keys for three left-handed starters and a closer. Along the way, George receives help from key figures like Dick Cheney, Colin Powell, and Alan Greenspan in the form of hilarious "corrections." America had a pretty rough time creating this Presidency -- now it's time to laugh at the results.

About the Author Based in Brooklyn, MODERN HUMORIST is an award-winning online daily comedy magazine that also produces material for Time, Fortune, and NPR. Their next book will be published by Three Rivers Press in Fall 2001. Award-winning writers KEVIN GUILFOILE and JOHN WARNER are Modern Humorist contributing editors. They live in Chicago.
