1 of 1 people found the following review helpful. Excellent By Customer Great questions for a book club or just a reader
1 of 1 people found the following review helpful. Loved the book By Sharon W. Loved the book. Enjoyed the "conversations" to help me think through what things meant in the book.
0 of 0 people found the following review helpful. One Star By Kim Looks like the titled book. Isn't.

My Grandmother Asked Me to Tell You She's Sorry by Fredrik Backman | Conversation Starters Elsa is a special needs child who is unable to make friends at school, and because of her parents' divorce she is even further affected. However, she does get along great with her grandmother. When her grandmother dies, Elsa is devastated. Granny gave her the task of delivering letters, after Granny's death, to different people whose pasts she wants Elsa to understand. Woven in the plot of My Grandmother Asked Me to Tell You She's Sorry are the fairy tales that Granny told Elsa over the years. It is up to Elsa to connect the dots and understand which fantasy characters from the "Land of Almost

Awake" are represented by whom in real life. A Brief Look Inside: Every good book contains a world far deeper than the surface of its words. The characters and their world come alive, and the characters and its world still live on. Conversation Starters is peppered with questions designed to bring us beneath the surface of the words and invite us into the world that lives on. These questions can be used to: Create hours of conversation Foster a deeper understanding of the book Promote an atmosphere of discussion for groups Assist in the study of the book, either individually or corporately Explore unseen realms of the book as never seen before Disclaimer: This book you are about to enjoy is an independent resource to supplement the original book, enhancing your experience of My Grandmother Asked Me to Tell You She's Sorry. If you have not yet purchased a copy of the original book, please do before purchasing this unofficial Conversation Starters.
