Sometimes, coming out as LGBT means needing to build bridges to family members who are having some trouble dealing with a reality they aren't used to and may not have expected. This book can help with that, especially if there are kids involved. One of the things that makes the book unique is a set of interrelated characters that inhabit the comics (along with some animals). The continuity of characters gives a sense that there are real people in this community, with the same concerns everybody has. There's a lot of cute and funny material, from chuckle to guffaw, and it's utterly non-threatening. Overall, a very sweet offering, and I haven't been able to find anything quite like it.0 of 0 people found the following review helpful. The review says it allBy TroyI have to say, I love this book. CustomerAwesome book! Well done!

MY KIND of LOVE is a funny and family-friendly compilation of gay comics written and illustrated by Dan Green of Portland Oregon. Inside you will meet a wide variety of characters, gay, lesbian, bi, straight, all orientations and even a few lovable animals. All are exploring their kind of love from a light-hearted and tender LGBTQ perspective.

About the AuthorDan Green is an Oregon-based artist, originally from Idaho. Dan spends most of his time drawing, writing, illustrating, painting, designing, and sculpting... just to name a few. Sometimes all at once!
