PoorBy Selena GrassoI understand that this book is written for children and I'm 26 years old however editors and publishers should take extra care of children's books. The reason being children are far more critical of books than adults and if they catch a mistake (especially one that big) then that could turn off of reading. The glaring error that I found is that poems repeated for 2/3 pages and that's just a poor editing/publishing mistake.3 of 3 people found the following review helpful. A Terrific Book for Everyone to EnoyBy

Robert M ThornbroughI bought Mr. Thomas's other book and was really pleased. So when I read the reviews for Lemonade comparing Thomas to Silverstein and Prelutsky, I had to get it. Well, I wasn't disappointed. I think he's on his way. And the illustrator, Hoke, did a fantastic job. I hope they reissue it in a coffee-table edition. It's that good.3 of 3 people found the following review helpful. Great book!By tamcam12Great book it teaches acceptance and understanding in a humorous way. Illustrations are wonderful !
