Jerome K. Jerome : My Life and Times before purchasing it in order to gage whether or not it would be worth my time, and all praised My Life and Times:

1 of 1 people found the following review helpful. Wonderful! By D. Warfield I think JKJ is such an underrated author! He has been a favourite of mine since I happened to pick up a copy of "Three Men in a Boat" and found I couldn't put it down. This autobiography is no less amusing and insightful. He does not divulge deeply personal matters (marriages, kids, etc), but it is not a smarmy, tell-all book, just a class act - like Jerome K. Jerome himself. 0 of 0 people found the

following review helpful. Excellent ReadBy Caroline FeemanLoved this as I have enjoyed and learnt from Jerome's other books. I found his chapter on WW 1 particularly enlightening, fascinating to hear his own eyewitness account of the war which is so different from most of the history books. His soul searching description of his spirituality gives one a lot of pause for thought.I preferred some chapters more than others which is why I gave it 4stars but continue to be impressed by his keen observations of his life and times.0 of 0 people found the following review helpful. Fantastic book about the life and times of an interesting ...By Nicholas DriscollFantastic book about the life and times of an interesting character. Definitely a unique find and worth a read. The photos are great and it would work as a coffee table piece because of its interesting subject matter.

This early work by Jerome K. Jerome was originally published in 1926 and we are now republishing it with a brand new introductory biography. 'My Life and Times' is the autobiography of this humorous author of fiction and essays. Jerome Klapka Jerome was born in Walsall, England in 1859. Both his parents died while he was in his early teens, and he was forced to quit school to support himself. In 1889, Jerome published his most successful and bestremembered work, 'Three Men in a Boat'. Featuring himself and two of his friends encountering humorous situations while floating down the Thames in a small boat, the book was an instant success, and has never been out of print. In fact, its popularity was such that the number of registered Thames boats went up fifty percent in the year following its publication.
