Chapman Pincher : My Life As a Real Dog: By Dido before purchasing it in order to gage whether or not it would be worth my time, and all praised My Life As a Real Dog: By Dido:

It's hard to classify this title: not entirely humor but certainly not nonfiction, it describes a dog's life as written by a 'dog' and translated by an owner. From dog communications and dog's-eye view of human behavior patterns /to a fun celebration of food, this packs in many fun, intriguing observations of dog behavior. -- Midwest Book
