It gets the life of a Cumberbabe to the letter. and I took the quiz in the book and I am definitely a Cumberbabe rather than a Pine nut. The only thing I didn't like about it and the reason it only got 4 stars was the quality of paper it was printed on. It is a hardcover with

internals printed on the equivalent of newsprint. That lead to some pages actually being harder to read because the letters were so light. I would have rather spent \$2 more dollars and had a paperback with glossy pages than what it is printed on now. Overall though it was a great product and likely will be in many of my friend's stockings this holiday. Thanks editors for knowing who we are. :) 2 of 2 people found the following review helpful. My Name Is Not X -It's WOMAN By Kindle Customer Please! I gave this book 4 stars because ((1) it's cute and witty (2) it is (inadvertently?) another excuse to spend time with you know who (3) comforting to know I'm not alone in my madness and (4) it didn't work at all. I didn't give it 5 stars because it's much too short. 1 of 1 people found the following review helpful. Great gift! By 2boymom Perfect present for a cumber bitch! My friend actually squealed when she opened it. Great purchase!

Tongue-in-cheek and totally unhelpful, this little book is the perfect gift for all Benedict Cumberbatch fans Benedict Cumberbatch. Does the mere sight of his name give you tingles? Do you feel a cheap thrill staring at the dip on his cupid's bow lip as he talks? Do you secretly wish you could plumb the rhythmic depths of his voice or twiddle your finger in his perfectly coiffed hair? If the answer to these questions is yes, then I'm afraid there's a very great chance that you could be a Cumberbitch. But that's actually perfect, because this little book was written especially for you! In this incessantly enlightening guide you'll find:- A whole load of (Benedict-related) quizzes- Motivational illustrations (of Benedict's face)- Inspirational quotes (from Benedict)- And, most importantly, the Five-Point Plan to Dis-Batch your Ben-Addiction Simple and semi-effective, this is the only guide that promises to combat Cumber-crastination in no time. Hurrah!
