However, when I buy the 3 volume you would think you'll get the 3 volume but you DON'T instead you get the cover of the 3 volume COVER and the 5th volume STORY. I didn't think I would had to read the reviews because I love the series that it be fine but nope. PEOPLE don't buy the third one on , just buy the actually 5th volume. Go somewhere else to get the 3rd one... Side note all the other volume are fine when I bought it on ...Just not this one, that why I'm giving this one 1 out of 5.1 of 1 people found the following review helpful. One of the greatest gag manga I've read! By Chie-Kiyoi bought this for my

husband (vol. 1-4) and he loves it :) On a side note, I bought it new directly from and somehow ended up with a miss print? Says vol 3 on cover and in 'orders menu' however Manga inside is from vol 5. It recalls events that don't happen until vol 4 and at the end even says "thank you for reading vol 5!" Lol! of 1 people found the following review helpful. Manga Cupcake Sweetness DramatizedBy LilyBookThe fun and games continue with this volume. All of Seki's distractions and antics keep life, school and otherwise, interesting for well-meaning Yokoi. Especially loved the snow bunny (too cute!), the bag check (robot family action-drama!), and the chess vs shogi (zombie attack!) chapters.

A Quiet Storm After putting up with so many distractions from her classroom neighbor Seki, Rumi Yokoi quietly begins to assert her will on a number of Seki's games.

“This series is marvelous. I never knew what would happen next, and reading it made me appreciate the wonder in everyday activities while being more content with small moments of imagination.” — Comics Worth Reading About the Author Takuma Morishige was born in Miyazaki prefecture back in 1978.
