**Takuma Morishige : My Neighbor Seki, 7** before purchasing it in order to gage whether or not it would be worth my time, and all praised My Neighbor Seki, 7:

1 of 1 people found the following review helpful. Continuing the Games,By Manga KidLike the other six volumes of My Neighbor Seki, we experience the weird and wacky things that Seki brings to class through the eyes of the main character, Rumi. If you haven't been able to tell by now this story isn't supposed to be mind-blowing or riveting. It's just a simple slice of life that you can get enjoyment from, and maybe even a good laugh. Still though, My Neighbor Seki allows itself to provide subtle characters "changes" (as I'll refrain from using "development" in a slice-of-life story such as this one) to its characters, and the seventh volume has its own little easter eggs in this regard. There's only one more volume of My Neighbor Seki left, and I assume it'll have some sort of graduation chapter at the end that

might not live up to other people's expectations in terms of moving the story forward (like if you happen to ship Rumi and Seki). But it's honestly the journey, and My Neighbor Seki's 7th volume is a great addition in this regard. Overall, I love this series. If you've been keeping up with this manga, expect more of the weird and wacky adventures. If you want to start this manga, I'd say give it a go. It's well worth the praise it gets, anyway.

Holiday Hijinks Seki Claus doesn't care if you are naughty or nice, cause he'll be making a stop in his classroom to quietly make reindeer games. But if Rumi Yokoi gets her holiday wish he might get caught in the process.

“The games and projects that Seki comes up with are outrageous and amazing, and Yokoi's reactions to them are hilarious. It's a very fun series all around”. — Lori Henderson, Good Comics for Kids  
About the Author Takuma Morishige was born in Miyazaki prefecture back in 1978. A professional comic artist, he earned an engineering degree from the University of Hiroshima. While Morishige has been working as a comic artist since 2001, he is best known for his work on My Neighbor Seki and for being the brother to the award-winning comic artist Akiko Higashimura. Morishige even appears as a character in Higashimura's autobiographical comic "Himawari..." In 2000 Morishige's debut project, Life Arts, was a finalist selection for the Chiba Tetsuya Comic Award. He would then turn his attention towards manga creation full-time in 2001. He has since developed six series, most of them being comedies.
