Dave Barry : "My Teenage Son's Goal In Life Is To Make Me Feel 3,500 Years Old" and Other Thoughts On Parenting From Dave Barry before purchasing it in order to gage whether or not it would be worth my time, and all praised "My Teenage Son's Goal In Life Is To Make Me Feel 3,500 Years Old" and Other Thoughts On Parenting From Dave Barry:

1 of 1 people found the following review helpful. you'll love this bookBy Maureen AllenI don't even HAVE kids and I was ON THE FLOOR! If you've been a kid, had sibs, known a kid or have kids of your own that you haven't sold yet, you'll love this book. It's not chronological, or particularly organized, just a series of experiences that will let you know: it's not just you!1 of 1 people found the following review helpful. Patchwork, unconnected snippetsBy Kelly M. CassidyI'm a big Dave Barry fan, but this "book" (more like a sampler than a book) seems like the brainchild of a publisher trying to milk an author's fame for all it's worth, at the expense of the author's reputation. These essays aren't the usual complete newspaper-column length essays you normally get in a Dave Barry book. Each page is a paragraph or two snippet that feels like it was cut out from a regular essay. They all feel incomplete and patched together. I bought this as a Kindle book and, honestly, wondered if there had been a problem with the download at first. (What happened to the rest of the story?).Don't waste your money. Buy a real Dave Barry book.1 of 1 people found the following review helpful. It's Dave. Nuff said.By Martina DinaleIt's Dave . Nuff said .

Dave Barry isn't just funny. His hilarious syndicated newspaper column and numerous best-selling books have sparked the kind of adulation that's often reserved for rock stars or world leaders. His wit cuts right to the core of life's absurdities. In "My Teenage Son's Goal In Life Is To Make Me Feel 3,500 Years Old" and Other Thoughts On Parenting From Dave Barry, Dave shares his hopes, fears, and insights about his own stint as a father.
