Monthly photos and captions of The Bear, cat of author and photographer Tom Cox. He's written four books about his several cats, some of whom, like The Bear, have unfortunately departed within the last year. Tom's books are absolutely hysterical and very touching as well. Highly recommend his books, and having read them, you'll want photos of The Bear, Shipley, Ralph and all. 0 of 0 people found the following review helpful. This is a fantastic calendar, the only one I remember to turn ... By ELLEN MCCANN This is a fantastic calendar, the only one I remember to turn the page on the day it should be turned. Sadly it makes me miss Bear a tad bit more, but I love seeing his soulful eyes and witty expressions. I know it's rough, because losing a loved one - even the four legged kind - is a shot to the heart, but I do hope Mr. Cox will be able to produce a 2018 calendar with the plethora of photos he took of his beloved Bear. 0 of 0 people found the following review helpful. ... it is lovely to have this calendar of such excellent quality to remember him By Customer With The Bear's recent passing it is lovely to have this calendar of such excellent quality to remember him. Thank you to Tom Cox for sharing his journey over the years. R. I. P. The Bear. Xxx
