**David Sedaris : Naked** before purchasing it in order to gage whether or not it would be worth my time, and all praised Naked:

1 of 1 people found the following review helpful. Honest to goodness the most funniest book EVER!By lilmisperfect30Totally laugh till you cry, sidesplittingly hysterical!!! You just cant be in a bad mood when you read this book, David Sedaris at his finest! I've read this book about five times and its still so funny!0 of 0 people found the

following review helpful. Funniest book I read. By Mary T. This book of essays covers the early life of David Sedaris. He uses humor to discuss serious issues. It is an enjoyable book to read. This is the third time I'm reading it (I read it twice for fun and now I'm reading it for a class). 0 of 0 people found the following review helpful. You will wish it was longer... By C. Sard002 Love David Sedaris, he has to be one of my favorite contemporary writers and he's probably one of my favorite all time writers. This is not recommended for anyone who is not a fan of dry humor or sarcasm, as I think that is the main draw of Sedaris. I'm a lover of non fiction and short stories so I've read several of his books including *Me Talk Pretty One Day* and *When You Are Engulfed In Flames*. This one I think contains more stories from his adolescence and early adulthood and I believe is one of his earlier works. Worth a read if you want a good laugh.

Welcome to the hilarious, strange, elegiac, outrageous world of David Sedaris. In *Naked*, Sedaris turns the mania for memoir on its ear, mining the exceedingly rich terrain of his life, his family, and his unique worldview—a sensibility at once take-no-prisoners sharp and deeply charitable. A tart-tongued mother does dead-on imitations of her young son's nervous tics, to the great amusement of his teachers; a stint of Kerouackian wandering is undertaken (of course!) with a quadriplegic companion; a family gathers for a wedding in the face of imminent death. Through it all is Sedaris's unmistakable voice, without doubt one of the freshest in American writing.
