**Doug Mayer : Name That Republican: A Field Guide to the Rogues and Rascals of the GOP** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Name That Republican: A Field Guide to the Rogues and Rascals of the GOP:

0 of 0 people found the following review helpful. Hillarious and informative By Gregory Lewis The crew at my newspaper gave this to me as a going away gift, and I must assume also a gag. Is my political ideology that transparent? I have been studying these cards for several days now. It comprises 50 of the most stalwart Grand Ol'

Party-poopers. Officials, pundits, commentators, talk show hosts and televangelists are represented. Each card has a subtly caricatured portrait (yikes, Katherine Harris! There's a fine line between glamor and garbage scow), their nicknames, positions, and the reverse side includes fun facts, failures/successes, and quotable quotes.- Who said orgies "eliminate social tensions and ought to be encouraged"? (hint- fortunately for the girls in the White House secretarial pool it's not Dick Cheney)- Sean Patrick Hannity (No. 42): "Iraqis are not going to be bombed by the United States. The United States will use pinpoint accuracy, just like we always do."- James Clayton Dobson (No. 28): Fun Facts - Born again at age 3, when he broke into tears at the altar during church service, begging for forgiveness. Despite acting like a religious authority, including preaching, quoting scripture, and waving a Bible while speaking, he has no theological credentials whatsoever.- Richard Bruce Cheney (No. 2)- Quotable Quotes - "Go f\*\*\* yourself," said to Senator Patrick Leahy on Senate floor. This isn't a game, it's a field guide. Study these cards like you would study wild birds or poisonous mushrooms, and arm yourself against the adversary. Cheney already is: "Bald; rotund; may be pointing 28-gauge shotgun at your face."

Jam-packed with hilarious facts, mind-boggling stats, and unbelievable (but true!) quotes, as well as 100 bonus GOP quiz questions, this rogue's gallery of fifty (in)famous Republicans is destined to be a side-splitting cure for those election year blues.
