Illustrations are very detailed and gorgeous. This was going to be a gift, but I couldn't help myself from coloring it myself.0 of 0 people found the following review helpful. Five StarsBy mzikaGreat coloring experience.0 of 1 people found the following review helpful. Animals...By Renee JordanVery nice and easy to color..

Intricate and soothing, this elegant coloring book for adults invites creative people of all ages to dive into the colorful and complex world of animals, using the power of their own imaginations. With 50 intricate black and white illustrations, printed on perforated pages that will render them collectible, users will color and embellish the detailed wings of a dragonfly, and the intricate patterns of zebras. Armed with artist's tools, they will explore the majesty of the world's wild animals. Fans of National Geographic and newcomers to the coloring world alike will welcome this creative and relaxing journey into our natural world.
