From Poulter Justin : National Geographic Magnificent Ocean: A Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised National Geographic Magnificent Ocean: A Coloring Book:

1 of 1 people found the following review helpful. Not much variety in imagesBy AngelaNot much variety in images. I was expecting the pages to have drawings like on the cover. However, the inside pages have much larger designs and many are just the same animal repeated in different positions on the same page. One good thing is that the paper is nice.0 of 0 people found the following review helpful. GreatBy Alonna StarIts great but the pitures wern't as detailed as i would have liked. But its still fun to color in 0 of 3 people found the following review helpful. Three StarsBy Brookelots of details

Intricate and soothing, this elegant coloring book for adults invites creative people of all ages to dive into the colorful world of oceans, using the power of their own imaginations. With 50 intricate black and white illustrations, printed on perforated pages that will render them collectible, users will color and embellish the scales of an ocean triggerfish, intricate anemone, and the diamond pattern of sea turtles' shells. Armed with artist's tools, they will enhance the beauty of coral reefs and explore the majesty of the ocean's floors. Fans of National Geographic and newcomers to the coloring world alike will welcome this creative and relaxing journey into our natural world.

About the AuthorIllustrator JUSTIN POULTER specializes in hand lettering and illustration. He started his career at an award-winning studio in London. Later, he headed up his own studio in his hometown of Cape Town, South Africa.
