**John Liburdi : Naturally aged nostalgia: fun stories for spirited seniors** before purchasing it in order to gage whether or not it would be worth my time, and all praised Naturally aged nostalgia: fun stories for spirited seniors:

2 of 2 people found the following review helpful. A Senior Pick-je-up MomentBy Lost WeekendMy mom who just turned 79 was in the dumps about not being able to do as much as she felts like she should be able to do. I sent her this book and she enjoyed laughing at the stories of someone else going through her stage of life.1 of 1 people found the

following review helpful. It's a page turner!By Richard T. LangtryThis is a book everyone who is getting on in years should read. It makes you laugh at the minor hardships we encounter along the way. Liburdi creates characters that we all can relate to as they wander through our ever changing digital world of instant communication and hype. This is a very amusing, well constructed book that brightens your day. Great gift.0 of 0 people found the following review helpful. Five StarsBy Susan K.Great

(EASY TO READ LARGER PRINT!) Naturally Aged Nostalgia is a collection of witty stories that depict our upside down world as seen through the eyes of mildly disgruntled senior citizens. Each of these short stories is unique, portraying a different facet of our rapidly evolving and often frustrating world. You'll certainly empathize with the book's many characters as you get to know them. As the title implies, the book is packed with warm nostalgia-wonderful images parked in the back of your mind will suddenly come to light. Plus, the stories are sprinkled with wry humor and most have surprise endings, some of which are "payback" scenarios that you'll surely savor. You're struggling to keep pace with a world that's spinning out of control, and you're trying to contend with continuous change. Lower your stress level by taking an occasional timeout to read one of the amusing stories contained in this book. You'll find this crazy world to be much more tolerable while you're enjoying these fun stories.
