Kyle L. White : Neighbor As Yourself: Midwest Essays, Poems, Etcetera before purchasing it in order to gage whether or not it would be worth my time, and all praised Neighbor As Yourself: Midwest Essays, Poems, Etcetera:

2 of 2 people found the following review helpful. Fun, thoughtful, profound in its simplicity...By The Sycamore ReviewThis delightful book alternately made me laugh out loud and brought a tear to my eye. Kyle White has the ability to take the simple things of life and turn them into something profound. His vignettes cause me to slow things down and reflect - sort of a mini-vacation.0 of 0 people found the following review helpful. Buy two - you'll want to share!By DK - WisconsinReading this book was like sitting down and having a conversation with a good friend. It's a

witty, heart warming, put a smile on your face, keep it to read again gem. Kyle White's midwestern charm at it's best!³ of 3 people found the following review helpful. A dose of deep reflection, flavored with bits of laughterBy Of Books and BoysLike White's first collection (Wisconsin River of Grace), this little book is a fine collection of Midwest personal essays and poems. Kyle's writing always gets the reader contemplating life's deeper questions, often within moments of delightful laughter. Whether he is ruminating on the significant subject of death or lightheartedly presenting the minutes of an insomniac's meeting, Kyle nails a moment and you simply have to say, "Yeah, I've been there."

"For our thinking that everything lasts forever: grant us mercy. And, one more day of 45% relative humidity. Amen." Humorous and reflective, Neighbor As Yourself is a collection of Midwest essays poetry on love, death, and God. Praise for Kyle L. White's first book, Wisconsin River of Grace (Cornerstone Press, 2009): "You'll never find a book that better describes Wisconsin than this one."-Dan Dieterich, Professor of English, University of Wisconsin-Stevens Point; "Now is the time to read Wisconsin River of Grace."-Door County Style magazine; "...Strikes the perfect balance between nostalgia, insight, and humor." -Amazon Review
