**Robb Pearlman : Nerd Haiku** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nerd Haiku:

Nerd Haiku takes a fun, light-hearted poke at all the stereotypes, truths, and absurdities in nerd culture.

"A collection of nerdiness that will amuse anyone who relates to the stereotypes and truths of the nerd culture. ... Any true nerd will enjoy and get a good giggle from this clever little book. ... Nerd Haiku is definitely a must-have."Luxury
