**Peter H. Thomas : Never Fight With a Pig** before purchasing it in order to gage whether or not it would be worth my time, and all praised Never Fight With a Pig:

0 of 0 people found the following review helpful. Wisdom SpeaksBy Nancye RiveraI am grateful Mr. Thomas shares his experiences with us. We learn from his decision making process and thus become more intelligent. So profound is his advice that I carry a xerox copy of the Appendix: Implementing Excellence with me to ingrain his sage counsel. When faced with challenging personalities, I am reminded, Never Fight With a Pig. A definite key for survival.2 of 3

people found the following review helpful. Entertaining, Educational, and InspirationalBy SimonThis wonderful book is an autobiography of Canadian entrepreneur Peter Thomas. He was essentially a Canadian version of Donald Trump. He has a very entertaining writing style and describes his personal and professional escapades throughout his life from early childhood to his retirement at age 50 in the late 1980s. The underlying theme throughout the book is Peter Thomas revealing the aspects of his character (Attitude, Motivation, Commitment) which contributed to his natural success as an entrepreneur. Even if you the reader are not an entrepreneur, this book will surely provide an entertaining read if nothing else. However for those readers who feel the entrepreneurial spirit within them, this book provides a great candid look into how a single individual can grow up in a relatively poor childhood, yet finish their life as a millionaire. A well written rags to riches story.

Book by Thomas, Peter H.
