Dan Wilbur : Never Flirt with Puppy Killers: And Other Better Book Titles before purchasing it in order to gage whether or not it would be worth my time, and all praised Never Flirt with Puppy Killers: And Other Better Book Titles:

2 of 2 people found the following review helpful. This is fantastic. Not something that one would necessarily sit down ...By Kathe H. This is fantastic. Not something that one would necessarily sit down and read, it's more of a coffee table book for guests to flip through. A general knowledge of literature is required to understand why the book is entertaining, but that is pretty evident when looking at the cover. Very happy with this purchase. 0 of 0 people found the following review helpful. Loads of Fun for Students and More! By Blue Monster 65 My son read this and enjoyed it

thoroughly. He says it's wickedly funny, filled with outrageous parodies of popular literature and should be required reading for all high school senior english students. With those words from a teenager, I guess I'll have to read it for myself next! 0 of 0 people found the following review helpful. Good buy! By Christopher Funny book. Love the concept. Hope there will be more. If you like to laugh at books you have been forced to read in the past, this book is for you.

From his wildly popular Tumblr page, Dan Wilbur offers his delightfully cruel summary of the books you were forced to read in high school—with all that resentment and angst loaded into a punchy re-title. Incisive, vindictive, and brutally funny, each page features a recognizable cover with the title renamed: *To Kill a Mockingbird* becomes *My Dad Is Cooler than Your Dad*; *A Walk to Remember* is reborn as *Teen Sex Is Ok if One of Them Has Cancer*. Perfect for parties, gift for fanatic book lovers, and casual bathroom reading. “Classics” (the books you’ve lied about reading). Actual Classics (Greek and Latin books people don’t even pretend to have read). Contemporary fiction (those books people talk about at parties that you’ve “definitely heard of” but never bothered to pick up). Children’s (books that say the most with the fewest number of words, i.e. “The Best Books”). Reference (Those books that were around before Google). From children’s literature, *The Very Hungry Caterpillar* gets the retitle *Eat Until You Feel Pretty*. An American classic, *The Great Gatsby* is switched to *Drink Responsibly*. And from contemporary fiction, *Gone Girl* is retitled *A Tale of Two Shitty People*. There’s something here for every reader.

"Inspired really, the web site: Better Book Titles." (Linton Weeks, NPR) "NewsFeed has a confession: This is probably our favorite Tumblr of the Week of all time." (Megan Gibson, Time) "These hilariously honest titles for classic books will make you LOL." (BuzzFeed) "One of our favorite online locales is Better Book Titles..." (Chris Hardwick, @Midnight on Comedy Central) "Stand-up comedian Dan Wilbur's new book...assigns laughable titles to classic books that, well, take some digging into." (Kelsey Kloss, Elle Decor) "Comedian gives honest book titles to classic literature, results are hilarious." (Sophia Hyder, DesignTAXI) "...this guy is super qualified to bash classics, and that's exactly what he's done in his latest book..." (Bill Ott, Booklist Back Page) About the Author Dan Wilbur is a stand-up comedian, former Brooklyn bookseller, and the former Ecards Editor at Someecards.com. His writing has been featured on Collegehumor.com, McSweeney's, the Onion News Network in IFC, Reader's Digest, and Huffington Post. He was an "Adjunct Scholar" for the Comedy issue of Lapham's Quarterly. He has also appeared in sketches for IFC, MTV, College Humor, and Funny or Die. Dan is the creator and editor of Better Book Titles, which has been featured on nearly every web site that covers literary subjects from BuzzFeed to The New Yorker.
