Patrick F. mcmanus : Never Sniff a Gift Fish before purchasing it in order to gage whether or not it would be worth my time, and all praised Never Sniff a Gift Fish:

1 of 1 people found the following review helpful. FUNNY STUFF!By Chris GregoryFirst published in 1983, this is one of the author's early works. McManus already had a vast following of outdoor humor enthusiast from his Outdoor Life and numerous Field Stream articles. These twenty-eight riotous stories are from those already proven articles. McManus returns some of our favorite characters in Rancid, Retch, Olga Bonemarrow, Al Finley, Cousin Buck, Crazy Eddie, and Pat's patient wife: Bun. Newly introduced characters include young fishing guide Tuck Harry, master fly-fisherman Orvis Fenwick, young would-be fishing aficionado Elwood Fitch, Budge Honeylip, Francis Cucumber and his wife: Dill, and neighbor Milt Slapshot.McManus uses this unique and unlikely cast of characters to create humor that almost explodes off the page! Everyone should read Never Sniff a Gift Fish - all ages. Never Sniff A Gift Fish
