William Russo : New England Patriots 2014: (Flaccid Footballs Aside) before purchasing it in order to gage whether or not it would be worth my time, and all praised New England Patriots 2014: (Flaccid Footballs Aside):

From the early weeks of preseason when stars like Logan Mankins went sent packing to the stumbling start and the Deflate-gate controversy, this look at the Patriots traces the team's progress with tongue firmly in cheek. If you like your memories refreshed with an unusual glimpse, you will enjoy the week-to-week reports that offer a whimsical perspective. With special emphasis on players Tom Brady, Gronk, and Julian Edelman, the tale unfolds to the ultimate

happy ending.
