**William Russo : New England Patriots Undressed!: 2012-13 Season** before purchasing it in order to gage whether or not it would be worth my time, and all praised New England Patriots Undressed!: 2012-13 Season:

In 2012 the New England Patriots football team became, like Camelot in its time, a distant myth, fading into folklore for its magical moments and camaraderie. So it has become for the Foxboro team where the Round Table of Tom Brady and his Knights once sat in championship harmony and easy victory. Coach Bill Belichick, the Merlin of

Gillette Stadium and his Galahads like Wes Welker and Gronk, spun tales of heroism and adventure. Like all myths, the truth may be lost in the tall tales. Now you can read about the waning days of the new Camelot with Tom Brady and his men in shining armor. If you enjoy sports humor with an edge, you will enjoy William Russo's second book on the Patriots, after last season's NEW ENGLAND PATRIOT WHIMSY.
