Ariel Books : New Parents' Survival Box before purchasing it in order to gauge whether or not it would be worth my time, and all praised New Parents' Survival Box:

A little cardboard baby, a cloth diaper, and safety pin stickers are amusing little toys that will bring smiles to the faces of nervous new parents or parents-to-be. And they'll really appreciate the booklet filled with helpful suggestions for getting through the first few weeks of parenthood.

About the Author Ariel Books has consistently produced high-quality, small-format gift books with their contemporary style and content. They have established a successful track record in their Little Book, Tiny Tome, Quote-a-Page, Oblong, Monterey, Tuscany, and Spotlight gift book lines.
