Galison : New York City Guided Activity Journal before purchasing it in order to gage whether or not it would be worth my time, and all praised New York City Guided Activity Journal:

A Galison New York City activity journal is a great gift for anyone who lives in, visits, or dreams of visiting the Big Apple. The journal measures 7 x 8-3/4" with a lay-flat opening that makes it inviting to use. It is fully designed, with cute illustrations by Mariko Jesse throughout. Its 112 pages are just right for sketching and journaling. The interactive book includes fun maps of uptown, midtown, and downtown Manhattan, information on neighborhoods, and plenty of room to record your own observations and explorations. Prompts invite sketches of cute dogs being walked, museum masterpieces, and records of strange things overheard, and lots more. Put on good walking shoes, grab this journal,

and go to town!
