LindseyThis is a charming little book. It chats about some of life's simple pleasures: a nice cuppa (a cup of tea), a little sit down (a work break), and a biscuit (cookie). Like my Irish grandmother, I prefer my tea to be stiff enough for a wee little mouse to be able to run upon it.3 of 3 people found the following review helpful. Nice cup of tea and a sit downBy Christina SabinAbsolute joy, pick up and read any time sort of book. There is something interesting and amusing on every page. Thoroughly recommended.
